CONGRATS!

Congrats on this new journey and phase in your life! We can't wait to capture all of your special details for your big day. Our brand focuses on providing a high-end, quality experience for our clients from start to finish. As a versatile photography firm, our team is equipped to cover all of your wedding needs from proposal shoots, engagement pictures, and wedding coverage. Regardless of how large or small of a celebration you are planning, our team will be sure to meet your needs for your big day!

WEDDING + ENGAGEMENT COLLECTION

We love to tell stories. Not the kind of story that you would read in a book or one that is told from the stage or big screen. We love to tell visual stories by making photographs come to life through vivid colors and imagery to capture your love story.

SEEING WHO YOU ARE

You want a photographer who will capture your moment in a way that accurately reflects you as a couple. LNJ Designs did a great job doing just that.

–Taylor Iyoho

OUR APPROACH

Our style is a unique blend of creative and artistic photography mixed with an editorial and high fashion style. We create modern yet timeless imagery of your special day by photographing every memorable aspect of your wedding.

WHAT'S INCLUDED

+ Consultation: We like to get to know our wedding clients before the big day. We will set-up a consultation call before your event to chat about your style for the wedding, must have photos, and what types of images you are looking to capture.

+ Edited Photos: Your final photos will be edited and fine-tuned for quality, clarity, color correction, and any other techniques that will make your wedding photos pop!

+ Event Gallery: You will receive a shareable gallery link to share your wedding photos with your guests! You will receive an admin password to hide photos from public viewing and download high-resolution jpegs.

+ Free Photo Album: We send you a free photo album after your wedding with highlight of the best images from the day! We can upgrade your package to receive a premium album for an additional fee.

+ Printing Options: Need more prints? Our printing lab produces amazing prints from wallets to custom sized wall mount displays. Print Packages available upon request. -
