LNJ DESIGNS PHOTO

LNJ Designs Photo is an accomplished photography firm with an extensive corporate client list. We specialize in corporate events, marketing + branding, and lifestyle photography. Our work has been featured in a variety of print and digital media outlets across the country. In a few short years, our clientele list has grown to include many nationally recognized brands, organizations, non-profits, public figures and government agencies. Our commitment to providing a high-end, quality experience from start to finish is what sets our brand apart. Take a look at some of the brands we've worked with below.

We look forward to working with you!

OUR WORK ON THE HILL

Corporations, non-profits, and lobbying groups across the country have relied on our services to tell the story of their most memorable moments on The Hill. We provide high-quality images ready for print use, social media, as well as marketing and branding. Through the years, LNJ Designs has photographed corporate networking sessions, congressional hearings, conferences, and receptions all over Capitol Hill. Our attention to detail and high-level of professionalism is what sets our team apart.

PRICING + BOOKING

WHAT'S INCLUDED

Consultation:

We like to get to know our clients before we arrive to photograph your event. We will set-up a consultation call before your event to chat about your company's branding style, key moments for us to capture, and event logistics.

Unlimited Shooting:

We tend to shoot about 100+ photos per hour. We strive to capture as many details as possible to maximize our time and your budget.

Edited Photos:

Your final photos will be edited and fine-tuned for quality, clarity, and color to make sure your images really POP!

Event Gallery:

You will receive a shareable gallery link to share your event photos with your guests! You will receive an admin password to hide photos from public viewing and easily download high-resolution JPG-files

Printing Options:

Need any prints? Our printing lab produces amazing prints from wallets to custom sized wall mount displays.
